by the Village to the Contractor for the repairs.

3 (1) The annual Paditara allowance of Rs 2-14-6 was resumed by the Inam Department in June 1879. The Deputy Amildar reports that the authority under which it was originally granted is not traceable in the records. The allowance was withheld from the month of February 1870 by Amildar's order as the temple was not kept in good order and these are probably also the reasons why it was resumed at the Inam settlement in 1879. But till resumed by the Inam Department the allowance withheld was being debited to Government and credited to surplus funds. In this way Rs 25-11-9 stands at the credit of the temple under Surplus Funds.

4. The rice allowance from the Rapon and Grama puthunnas to the temple has not been granted,

and what the villagers pray for is altogether
a fresh grant which however was not
recommended in my letter no. 184
Dated 12th March not being part of
